Sympathy of the Court has been extended to HL Bev and family. The only sickness I heard about was HL Pat Hayter came home from Grand Court with flu and pneumonia and had to have oxygen. SK Ken needs surgery after his heart attack and the doctor will let him know when that will be. Please let me know of any illness in our court.

We also want to thank all our members that accepted an office and of course our faithful pro-tems. We will have a good year. We are planning on attending the Grand Lecturer visits, the all courts nights and of course the Grand Visits of the other courts, weather permitting, of course, so if anyone wants a ride or to car pool please let me know.

Music is always a beautiful addition to have, and it was appreciated since our own musician HL Peggy Hoff is unable to attend.

**Sickness and Distress:** SK Bill Toppen is having a lot of problems since his last surgery, please keep him and HL Cheryl Toppen in your prayers. HL Peggy Hoff is still having some problems with her hip and knee when she fell as the valet at the doctor's office drove off while she was still holding on to the door, she will be getting shots in her eyes next week. SK Bud Hoff had an appointment with his cardiologist, his blood pressure is running low. SK Dwight Wilson was unable to have his eye surgery because of more swelling in the eye, the doctor will have to continue to treat the swelling before they can do the surgery. HL Brandi Long's husband Jarrod, has developed an allergy to the cold, cold urticaria is an allergic reaction to cold temperatures, also known as cold hives.
